NEW DEMONSTRATION PROGRAM BEGINNING JANUARY 12, 2011

(And continued on the 2nd Wednesday of each month)

Technology Demonstrations (Open to the Public)

This demonstration is presented at TechACCESS of RI by
Denise Corson, ATEL Program Coordinator,
and
James Litvack, PARI Independent Living Center Representative.

Technology for Persons with Hearing Loss is a demonstration that looks at technology that can improve access at home, work and in social settings.

The following equipment will be demonstrated:

- Adaptive Telephone Equipment Loan (ATEL) Program equipment, which include amplified phones, and the CapTel. The CapTel is a fairly new technology that allows you to view word-for-word captions of your telephone conversations.
- Signaling devices such as alarm clocks telephone ringers, doorbells and baby monitors.
- Personal amplification for conversations, meetings and social events and television.

All attendees can loan out equipment, on a first come first service basis, to see if the equipment is appropriate for their needs. Also, qualified attendees can apply for a **FREE** telephone thru the ATEL Program.

Location: TechACCESS
110 Jefferson Boulevard, Suite I
Warwick, Rhode Island 02888-3854

Time: 6:00 to 7:00 PM, on the 2nd Wednesday of each month.
*These workshops are free, no registration is required.
However, please call ahead if inclement weather.*
