

ATAP Lead Agency

Office of Rehabilitation Services (ORS)

(401) 421-7005 (V)
(401) 421-7016 (TTY)
www.ors.ri.gov

- Administers statewide activities and distribution of program funds
- Develops and coordinates implementation of state plan in collaboration with partners and advisory council

Rhode Island Council on Assistive Technology (RICAT)

- Advisory body to the ATAP Program
- Advocates for legislative and other changes in the system to increase access to AT

ATAP Device Exchange Website

Web-based clearinghouse for affordable assistive technology, daily living and accessibility devices.

Visit www.GETATstuff.com to buy, sell, exchange, or donate a variety of used assistive technology items.

ATAP, the Rhode Island Assistive Technology Act Program (P.L. 105-394) is designed as a statewide partnership of organizations, each with a targeted assistive technology focus, working together to improve access to and acquisition of assistive technology for individuals with disabilities.

ATAP's main initiatives include:

- ◆ Device Demonstration
- ◆ Device Loan
- ◆ Device Re-use
- ◆ Training, Public Awareness, Collaboration, and Information & Referral
